The Bedrooms

The third floor offers a pair of double bedrooms. One bedroom has generous proportions and considerable built-in storage, while the other has an ensuite bathroom and access out onto a private balcony. A second bathroom and additional storage complete this floor, while a separate storage room is also available.

The Neighbourhood

Basil Street is a beautiful street in Knightsbridge laid out in the second half of the eighteenth century. It is lined with red brick mansions blocks, mostly built in the late nineteenth and early twentieth centuries and noted for their exuberant designs. From here, Knightsbridge underground station is close, and so too the neighbourhood's outstanding restaurants and shops. In addition, the open spaces of Hyde Park and Kensington Gardens are a short walk away.
