The Neighbourhood

Beaufort Gardens is a sought-after street in Knightsbridge, lined with grand Victorian townhouses. Most of the properties were built in the 1860s, with stucco front porches and classical first-floor dressings. Despite its central location, the height of the buildings gives a sense of privacy and seclusion. The street is located midway between Knightsbridge and South Kensington underground stations. Therefore, the celebrated shops and restaurants of Knightsbridge, and the worldclass cultural institutions of South Kensington, are both within walking distance. In addition, the open spaces of Kensington Gardens and Hyde Park are also within easy reach.
