The Property

Beautiful flat with spacious interiors in an impressive building close to both Kensington High Street & Notting Hill Gate

This end-of terrace flat has bay windows on two sides, offering a double aspect and filling the rooms with light. It is presented in good condition with underfloor heating in the bathrooms and ground-floor reception room.

Indoor Spaces

Entering the flat on the ground floor, the front hall leads through to a generous living area. This includes an open-plan kitchen with modern units and a breakfast area, flowing through to a large reception room. This room has high ceilings, wooden floors and an ornamental fireplace, adding to the sense of elegance and space. This floor also includes a utility room on the half-landing.

The Bedrooms

The lower ground floor features a principal bedroom with an ensuite bathroom and inbuilt wardrobe space. The second bedroom has a bathroom next door with a bath and its own storage space.

The Neighbourhood

The flat is part of an impressive Victorian townhouse with a recently refurbished façade. It occupies a quiet residential street lined with attractive terrace houses set back from the road. From here, the restaurants, shops and underground station of Notting Hill Gate are within easy reach. In addition, the open spaces of Holland Park are a short walk away.
