The Property

Unusually wide house with bright interiors on an attractive street close to Notting Hill Gate.

Entering the house on the ground floor, the front hall leads through to a wide living area. This includes an open-plan kitchen with a central island breakfast bar, as well as separate dining and seating areas. In addition, this floor provides a bedroom or study with an ensuite bathroom.

Indoor Spaces

The lower ground floor is occupied by a generous reception room that is currently used as a family television room and study. This floor also contains a utility room, storage space and a guest WC.

The Design

The property is designed in a contemporary style and presented in excellent condition. The entire house offers underfloor heating.

The Bedrooms

The first floor features a pair of bedrooms, one of them ensuite, the other with a bathroom opposite. Meanwhile, the second floor offers a well-proportioned principal bedroom, flooded with light from south-facing windows and overhead skylights. Next door is a bathroom with a bath.

Outdoor Spaces

The paved rear garden has enough space for outdoor seating and a barbeque station for hosting in the summer.

The Neighbourhood

Campden Street is a quiet road lined with picturesque, cottage-like houses. From here, Notting Hill Gate station is close, and so too the neighbourhood's many desirable restaurants and shops.

In addition, the popular Notting Hill farmers' market takes place every weekend at the nearby Fox primary school. Finally, the open spaces of Kensington Gardens are within easy reach.
