# The Property

An elegantly presented apartment on a quiet, residential address

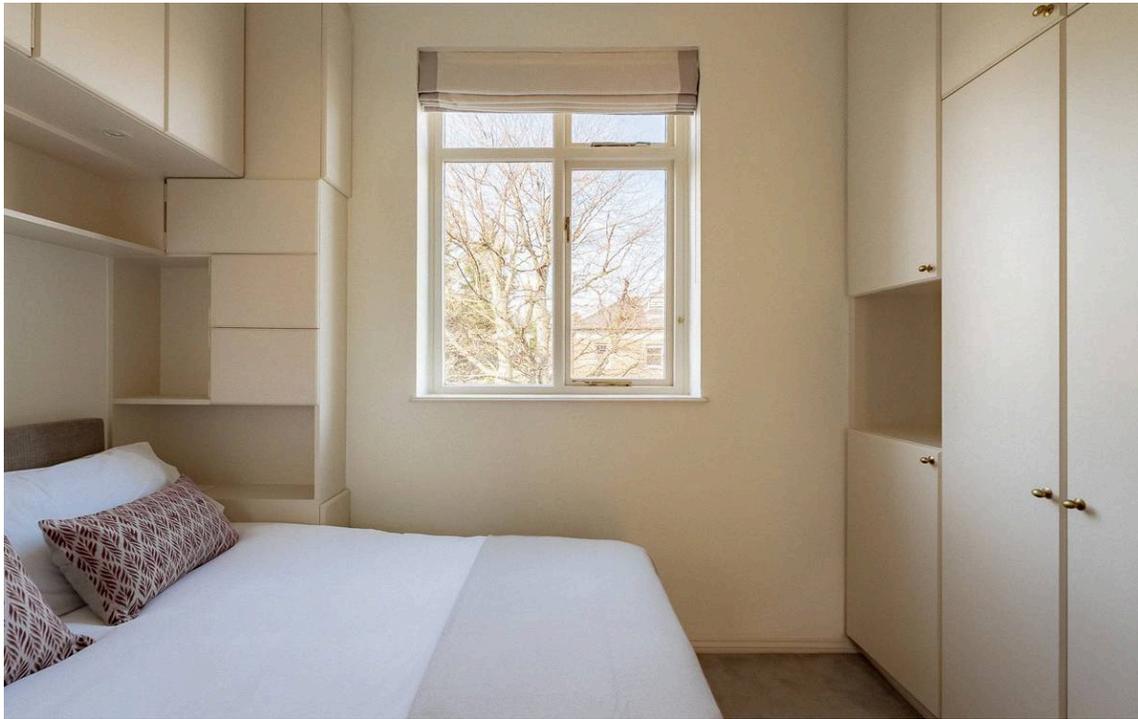

## Indoor Spaces

Entering the flat on the second floor, you step into a generous reception room with wooden floors and high ceilings that create a superb sense of scale. The space is filled with natural light from two large windows, while a contemporary fireplace with sleek surround adds architectural interest. This well-proportioned room flows seamlessly through to the kitchen.

The kitchen is thoughtfully designed with fitted units and a white subway tile backsplash. Modern appliances include an integrated electric hob and oven, with ample storage throughout. The compact yet functional layout maximises the available space effectively.

## The Bedroom

The bedroom offers peaceful accommodation with built-in storage that add to the property's practical appeal. High ceilings maintain the sense of grandeur found throughout the apartment.

The bathroom features contemporary fittings with a bathtub and overhead shower, finished with light tiles and elegant green wainscoting that adds distinctive character to the space.

## The Neighbourhood

Cathcart Road is a quiet residential address in the heart of Chelsea, moments away from the King's Road with its upmarket boutiques and many restaurants. The property is within easy reach of South Kensington's cultural attractions and the open spaces of Hyde Park, while the area's tree-lined streets and elegant stucco buildings create one of London's most sought-after residential environments.
