The Property

Recently renovated laterally arranged apartment with portage.

Entering the flat, you step into a welcoming entrance hall which runs through the heart of this home, featuring light wood flooring that echoes throughout the property. The reception room is exceptionally generous and bright, featuring a dual aspect to the South & West and ample space for living & dining.

The Kitchen

The sleek kitchen is well-appointed with fitted units and modern appliances, including a wine fridge and breakfast bar, and also gives access to the internal service staircase.

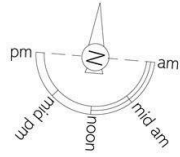

The Bedrooms

Both bedrooms are substantial doubles, the principal with the benefit of excellent built-in storage and an en-suite bathroom, the second similarly well proportioned but with the added benefit of a built in office space, giving great flexibility. A smart family bathroom serves this guest bedroom, and finally there is a separate utility room adjacent to the front door.

The Neighbourhood

Cottesmore Court is superbly positioned in the heart of Kensington, moments away from the excellent shopping and dining opportunities of Kensington High Street. The location provides easy access to Hyde Park and the cultural attractions of South Kensington, including the Natural History Museum and Victoria and Albert Museum. Transport links are exceptional, with High Street Kensington & Gloucester Road stations within easy reach, providing access to the Circle, District and Piccadilly lines.
