The Property

Three-bedroom house with characterful interiors on a quiet cul-de-sac off Kensington Church Street

Indoor Spaces

Entering the house on the ground floor, the front hall leads through to a large reception room. This room has enough space for separate dining and seating areas, as well as a working gas fireplace. It communicates with the fitted kitchen, lit from above by a skylight.

The Bedrooms

The first floor features a principal bedroom with a well-proportioned ensuite bathroom. The second floor has a second bedroom with a next-door bathroom, as well as a third bedroom or study.

Finally, the third floor has a beautiful wooden conservatory space containing a fitted bar and kitchenette, as well as double French doors leading out onto the roof.

The Design

The property has been decorated in a traditional fashion with colourful rooms adding to the sense of cosiness and character.

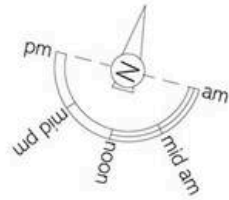

Outdoor Spaces

The property includes a secluded roof terrace with wooden decking, potted plants and enough space for outdoor entertaining.

The Neighbourhood

Edge Street is a quiet cul-de-sac leading off Kensington Church Street. From here, Notting Hill Gate underground station is close, and so too the neighbourhood's many restaurants and shops. In addition, the Notting Hill farmers' market takes place every weekend at the nearby Fox primary school. Finally, the open spaces of Kensington Gardens are within easy reach.
