The Property

Second-floor flat in a spectacular new-build apartment block on the King's Road with porter, lift and underground garage.

The flat is newly built and finished to a high standard. This includes comfort cooling and underfloor heating, as well as European oak wood flooring and Carrera marble in the kitchens and bathrooms.

Indoor Spaces

Entering the flat on the second floor, the front hall leads through to a spacious reception room. This includes an open-plan kitchen with a breakfast bar and instant boiling water taps, as well as separate dining and seating areas. In addition, sliding glass doors lead out onto the south-facing terrace.

At the other end of the flat is a principal bedroom with an ensuite bathroom connected by a corridor wardrobe. The property also contains a second bedroom, a second bathroom, a guest loo and a utility cupboard.

Outdoor Spaces

The property benefits from a large, south-facing terrace accessed via the reception room. In addition, the building offers a lift, a porter and off-street parking in an underground garage.

The Neighbourhood

Essoldo House is an award-winning development on the site of the former Essoldo cinema, Chelsea. Its dramatic shape evokes this history, while also housing a modern Everyman cinema. The building is exceptionally well-located on the King's Road, with many shops and restaurants in walking distance. In addition, Old Church Street connects to the Fulham Road and Chelsea Embankment, meaning the River Thames and Battersea Park are also close.
