## The Property

Colourful and comfortable flat within easy reach of Queen's Park and King Edward VII Park

Stepping into the flat on the ground floor, a staircase leads up to the first floor. From here, the well-lit hallway opens onto a generous reception room. As well as separate dining and seating areas, wooden floors and a broad bay window create a bright and modern space.

## Indoor Spaces

A kitchen with fitted units and charming wallpaper inspired by an eighteenth-century design from Pierre Fray can be accessed off the hall.

## The Bedrooms

The flat also contains a pair of bedrooms, both with inbuilt storage space. In between is a bathroom with a bath and mosaic-style tiling.

## The Design

The property is presented in excellent condition. Colourful walls and contemporary décor add to the sense of brightness and calm throughout. There is a potential opportunity to extend into the demised loft space, subject to obtaining the necessary planning permission.

## The Neighbourhood

The flat is part of an attractive red-brick terrace house set back from the street.

Leighton Gardens is a quiet residential road running through Kensal Rise. The address is well connected, with Kensal Rise and Kensal Green stations nearby. Furthermore, both Queen's Park and King Edward VII Park are a short walk away. Finally, Chamberlayne Road and College Road together offer a charming range of restaurants, cafes, delis and pubs.
