The Property

A wonderful terraced house in good condition in Chelsea

Entering the house on the ground floor, you make your way through to a welcoming dining room and kitchen, linked by a large cased opening between them. Both rooms are well designed, with ample storage and space for dining and entertaining. Further down the hall, there is access to a tranquil garden, with room for outdoor seating.

Indoor Spaces

On the first floor, an impressive reception room spans the width of the house, with two sets of French doors opening onto a balcony. The house retains a number of period details, including a central fireplace in the reception room and dining room, creating a focal point for both rooms.

The Bedrooms

Downstairs, the lower ground floor accommodates two of the four bedrooms, served by a separate guest bathroom on this level. A half landing between the ground and first floors houses a further guest bathroom, providing convenient access for this level of the house.

The second floor houses the remaining two bedrooms; each benefiting from an ensuite bathroom. A separate study on half-landing completes the property.

Outdoor Spaces &

The house includes a south-facing garden, accessed from the ground floor, along with a balcony off the first-floor reception room. The garden is laid with decking, while outdoor storage is also accessible from the lower ground floor.

The Neighbourhood

Limerston Street is a quiet residential address in the heart of Chelsea, SW10, lined with classic terraced houses. The underground and overground lines of Fulham Broadway and West Brompton stations are both within easy reach, with the King's Road and its wide choice of restaurants and shops just a short walk away. The green spaces of Brompton Cemetery and the Chelsea Physic Garden are also within easy reach, as well as being close to Battersea Park.
