The Property

Well-located flat with tasteful interiors on a quiet street near the centre of Notting Hill

Stepping into the flat on the raised ground floor, the entrance hall leads into an impressive reception room. The open-plan kitchen with modern fitted units flows through to a living space consisting of dining and seating areas. High ceilings, full-length windows and a double aspect add to the volume, while an ornate cornice and plaster mouldings create an impression of elegance.

The flat has been decorated in a smart fashion that mixes classic style with modern convenience.
