Both these rooms have a double aspect, as well as a pair of French windows opening onto balconies, ensuring the space is well lit.

A corridor leads through to the other side of the flat, offering storage space and connecting the four bedrooms. ## The Neighbourhood

Rose Square occupies the former Brompton Hospital, a historic and beautiful building dating back to 1844. It was redeveloped in 1997 by Northacre and now benefits from 24-hour concierge and security, as well as swimming pool, gym, boardroom, lift and secure underground parking.

The development is also surrounded by well-maintained gardens. Rose Square lies on the Fulham Road, within easy reach of the restaurants and shops of Chelsea. South Kensington underground station is close, along with several world-class museums and cultural facilities. In addition, the neighbourhood is well-supplied with independent schools.
