The Property

A four-bedroom house presented in good condition, arranged over four floors.

Entering the house on the raised ground floor, the reception room offers a well-proportioned space for everyday living, with a separate study providing a quiet spot for home working. The study has the added benefit of a small Juliet balcony.

Indoor Spaces

Downstairs on the lower ground floor, a further reception space adjoins the kitchen, which gives access to a patio. This level also accommodates one of the four bedrooms, as well as a guest bathroom next door.

The Bedrooms

The first floor is given over to two further bedrooms, both benefiting from built-in storage, as well as an additional bathroom and guest loo, while the second floor houses the principal bedroom, benefiting from an ensuite bathroom and storage in the eaves. This floor has access onto the terrace, with plenty of space for seating and entertaining.

The house retains a number of considered details, and has been designed in a stylish contemporary style, allowing room for a buyer to add their own style.

Outdoor Spaces

The house includes a patio off the lower ground floor kitchen, along with a south-facing terrace accessed from the second floor. The terrace offers wooden decking, bordered by planting, with space for outdoor seating.

The Neighbourhood

Seymour Walk is a quiet residential street in Chelsea, SW10, lined with classic terraced houses. Fulham Broadway and West Brompton stations are both within easy reach, with the King's Road and its wide choice of shops and restaurants a short walk away. Brompton Cemetery and the green spaces of Eelbrook Common and Battersea Park are also nearby, along with a good selection of local schools.
