The Bedrooms

The first floor includes a well-proportioned bedroom with a balcony, as well as an ensuite bathroom. This floor also contains two more bedrooms, both with next-door bathrooms.

On the second floor is a principal bedroom with a dressing room and an ensuite bathroom with bathtub. In addition, this floor contains a further bedroom or study with a bathroom next door.

The Design

The whole house was renovated five years ago, with a thoughtful layout to maximise the sense of light and space. Its bold colour scheme and beautiful design add to the sense of elegance.

Sloane Avenue leads between the King's Road and the Fulham Road. From here, Sloane Square underground station is a short walk away, as well as the independent boutiques and artisanal food shops of Pavilion Road.
