The Property

Family home decorated in tasteful contemporary style close to the King's Road and Sloane Square

Indoor Spaces

Stepping into the house on the ground floor, the front doors open directly onto a well-proportioned reception room. As well as a wide window at the front of the room, bifold French doors at the rear flood this space with light for much of the day.

Entertaining Spaces

Downstairs is a second reception room with enough space for dining and seating areas. It leads through to a kitchen with fitted units and its own breakfast area, illuminated by an overhead skylight and a small patio. This floor also contains a guest WC, a utility room and separate street access.

The Principal Bedroom

The first floor features the principal bedroom with an ensuite bathroom and considerable wardrobe space. Another generous bedroom suite is found on the second floor, its spacious bathroom offering a bath and a Juliet balcony.

Further Bedrooms

There are two more bedrooms on the third floor, sharing a bathroom.

The Design

The house has been thoughtfully designed to maximise the sense of light and space. It is decorated in a sophisticated contemporary style and presented in very good condition. The bespoke staircase with open treads forms a special feature at the centre of the property.

Outdoor Spaces

The house includes a south-west facing rear terrace with wooden decking and enough space for outdoor seating. There is also a front patio with outdoor storage vaults.

The Neighbourhood

Smith Street is an attractive address in the heart of Chelsea, lined by Victorian terrace houses with white stucco bases. The restaurants and shops of the King's Road are close, while Sloane Square underground station is within walking distance. The exceptional sports facilities of Burton Court are also nearby, where residents have the right to apply for membership.
