The Property

Well-proportioned flat with bright and spacious interiors on a historic and artistic street.

Entering the property on the second floor, the front hall flows through to a fitted kitchen with a central island breakfast bar and an informal dining area. This room also features south-facing French doors opening onto a balcony and filling the space with light.

Indoor Spaces

On the opposite side of the hall lies a generous reception room with plenty of space for dining and seating areas, as well as a double aspect formed by windows on two sides.

The Bedrooms

The far side of the flat contains three double bedrooms. The principal bedroom has an ensuite bathroom, while the other two bedrooms share a bathroom and offer inbuilt storage space.

The Neighbourhood

Tite Street was laid out in 1877. It soon became home to many of Chelsea's cultural figures, with celebrated residents including the writer Oscar Wilde and the painters Augustus John, James McNeill Whistler and John Singer Sargent. Today it is a picturesque street leading towards the River Thames, much of lined with red-brick properties. From here, the restaurants and shops of the King's Road are close, while Sloane Square underground station is also nearby. In addition, the beautiful surroundings of the Chelsea Physic Garden are a short walk away.
