# The Property

Sophisticated property with contemporary interiors in a Victorian building near Notting Hill

Entering the flat on the second floor, the front hall leads up to a spacious reception room. This room includes high ceilings, a bay window overlooking Hyde Park, and enough space for separate dining and seating areas. Next door is a fitted kitchen.

## Indoor Spaces

The flat has been renovated to the highest standard and is presented in immaculate condition. Its wooden floors and marble-tiled bathrooms add to the sense of sophistication, while air conditioning and underfloor heating is available throughout.

## The Bedrooms

The other side of the flat features a pair of bedrooms. The principal bedroom has a walk-in wardrobe and an ensuite bathroom with a bath. The other bedroom has inbuilt storage space and a bathroom next door, also with a bath.

## The Neighbourhood

No.154 Bayswater Road is a beautiful red-brick Victorian townhouse that has been entirely modernised. It includes both porter and lift.

The property is exceptionally well-located, opposite the open spaces of Kensington Gardens and Hyde Park. In addition, Queensway station is a short walk away, as well as the newly fashionable Queensway Road. Finally, the many restaurants and shops of Notting Hill are within easy reach.
