Indoor Spaces

The property also contains two bedrooms. The principal bedroom has built-in storage, an ensuite bathroom, and French doors leading to the second terrace. The other bedroom has further storage space and a bathroom next door.

The Design

The decoration mixes classical and contemporary details, with wooden floors and a minimalist colour scheme adding to the sophistication.

The Neighbourhood

The property includes a pair of terraces with enough space for outdoor seating.

Cheniston Gardens is a quiet street in Kensington, lined with terraces of Victorian houses built between 1879 and 1882 in the Italianate style. From here, the restaurants, shops and underground station of Kensington High Street are all close. In addition, both Holland Park and Kensington Gardens are within walking distance.
