The Property

Three bedroom houseboat in Chelsea with a south-facing terrace and views over the Thames

The houseboat is decorated in a contemporary style, with light-filled interiors and a nautical theme. In addition, there is air conditioning throughout.

Indoor Spaces

Entering the houseboat on the upper deck, the front door leads into an open-plan kitchen with a separate dining area. A few stairs ascend to a reception room, with an overhead skylight and floor-to ceiling windows bringing in added brightness. In addition, sliding doors open onto a south-facing terrace.

The Bedrooms

There are three bedrooms on the lower deck. The principal bedroom has an ensuite bathroom, as well as a dressing room and additional storage space. The other two bedrooms share a second bathroom, there is a separate guest WC and a utility room on this floor.

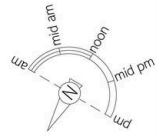

Outdoor Spaces

The houseboat includes a south-facing terrace with wooden decking and enough space for outdoor eating. In addition, Cheyne Walk moorings offer a full on-site management team and night watchman.

The Neighbourhood

From Cheyne Walk moorings, the many restaurants and shops of the King's Road are all nearby. In addition, both Imperial Wharf and Fulham Broadway stations are close, while a riverbus service leaves from Cadogan Pier. Finally, the open spaces of Battersea Park are within walking distance on the opposite side of the Thames.
