## The Property

Riverstone provides the independence your own flat and the support of assisted living, with a club-like atmosphere and a welcoming community.

Brand new flat with two terraces in a unique residence with exceptional facilities for those in the later stages of life

## Indoor Spaces

Entering the property on the second floor, the front hall opens onto the main rooms of the flat. The large reception room includes an open-plan kitchen, as well as space for separate dining and seating areas. It also benefits from floor-to-ceiling windows, while a French door leads out onto the terrace.

The principal bedroom includes an ensuite bathroom with bath and shower, as well as built-in storage and a French door leading out onto a second terrace. There is another bedroom, also with terrace access, and a shower room and utility room opposite. Both terraces face south-east, meaning the main rooms benefit from sunlight for much of the day.
