The Property

Two bedroom flat with light-filled rooms and balcony on a desirable address close to Harrods

Entering the flat on the second floor, the front hall opens onto a generous reception room. A floor-to-ceiling sliding glass door leads out onto the balcony, ensuring the room is filled with light. This side of the flat also contains a dining room with a convenient pair of double doors leading directly through to the fitted kitchen.

Indoor Spaces

The property is decorated in a cool, contemporary style, adding to the sense of light and space. The building benefits from both lift and porter.

The Bedrooms

The property also offers a pair of bedrooms with built-in storage. The principal bedroom has an ensuite bathroom with a bath, while the second bedroom has a bathroom next door.

The Neighbourhood

The flat includes a wide west-facing balcony. In addition, residents have the right to access the private garden square.

Hans Place is one of the most sought-after addresses in Knightsbridge. Historically it was home to Jane Austen, as well as various politicians and aristocrats. The square is exceptionally well-located. From here, Knightsbridge station is close, while Harrods and Harvey Nicholls department stores are both a short walk away. In addition, the excellent restaurants and shops of Knightsbridge and Chelsea are within easy reach.
