The Property

One-bedroom flat with south-facing window in a unique apartment building close to Gloucester Road station

Indoor Spaces

Entering the flat on the fifth floor, the front door leads directly into a reception room. As well as an open-plan kitchen, this room has enough space for separate dining and seating areas. Meanwhile, a south-facing window brings light into the flat throughout the day.

Next door is a bathroom with inbuilt storage and a second window. An ensuite bathroom with stone tiling completes the property.

The Design

The flat has been designed in a contemporary fashion, with bold colours and varied textures adding to the style. There is also air conditioning throughout.

Private Club

The Other House occupies a grand terrace of refurbished townhouses. It contains a mix of serviced apartments and residents' flats, and provides automatic membership of the building's private club. This includes members' lounges, a pool, a gym, a sauna, a steam room, a wellness studio and a curated calendar of events. All bills are included in the rent, giving added convenience.

The Neighbourhood

The Other House is located in the heart of South Kensington, moments away from Gloucester Road underground station. From here, the restaurants and shops of Chelsea and Kensington High Street are both within walking distance. In addition, the world-class cultural institutions of South Kensington are close, while Hyde Park and Kensington Gardens are also nearby.
