Entering the house on the ground floor, the front hall opens directly onto a double reception room. This is generous space that occupies the entire level, with a fireplace and double French doors opening out onto the rear terrace.

Indoor Spaces

The lower ground floor features an open-plan kitchen and dining area, with high ceilings and overhead skylights bringing in brightness throughout the day. This floor also contains a utility room, a guest WC, and a bedroom with an ensuite bathroom.

The Bedrooms

The first floor contains a pair of bedrooms with a shared bathroom, as well as a study on the half-landing. The second floor contains a principal bedroom with a well-proportioned ensuite bathroom and considerable built-in storage space.

The Neighbourhood

The property includes a south-west facing terrace with enough space for outdoor seating and a patio on the lower ground floor. There is also a pair of storage vaults at the front of the house.

Hasker Street is a quiet road lined in low terrace houses with white stucco bases. From here, South Kensington and Sloane Square underground stations are both a short walk away.
