The Property

Spacious and stylish house on a quiet residential street within walking distance of Battersea Square

Entering the house on the ground floor, the front hall leads through to a large reception room at the rear of the property. With its floor-to-ceiling windows, west-facing French doors and overhead skylights, this space is filled with light for much of the day. As well as separate dining and seating areas, it flows into a fitted kitchen with marble worktops, wooden units and a central breakfast bar.

Indoor Spaces

The house has been decorated in attractive contemporary style, mixing modern and traditional details to create a comfortable family home. It is presented in excellent condition.

This floor also contains a front reception room that could be used as an ensuite bathroom, accessed from the kitchen via sliding double doors. In addition, there is a home office accessed via the garden. Finally, this entire level has underfloor heating.
