The Neighbourhood

Evelyn House was built in the Edwardian period in the classical revival style. It is notable for its bronze steel bay windows with ornate panels, which have been recently restored. The building also benefits from a lift.

Evelyn House is located moments away High Street Kensington underground station, in an area is well served with shops, restaurants and bars. In addition, the entrances to both Kensington Gardens and Holland Park are within walking distance. Phillimore Walk, just opposite the building, hosts a farmers' market every Sunday.
