The Property

Two bedroom flat with high ceilings in a grand mansion block close to Queensway Station

Entering the flat on the second floor, the entrance foyer leads through to a well-proportioned reception room, with enough space for separate dining and eating areas. Beyond is a central corridor that leads towards a second reception room, this one with a working fireplace and a south-facing sash window.

Indoor Spaces

High ceilings and a muted colour scheme give a sense of space and calm throughout.

On one side of this room is a galley kitchen, on the other side a home office. In addition, the flat contains two bedrooms: a principal bedroom with an ensuite bathroom and inbuilt storage, and a second bedroom with a bathroom opposite.

The Neighbourhood

24 Palace Court is an impressive late nineteenth-century block of mansion flats with a porter and a lift.

Palace Court is an attractive street containing a mix of red-brick houses and mansion blocks built in the Dutch style. From here, Queensway and Bayswater stations are both close, and the area is also well-served by buses. In addition, the many restaurants and shops of the Notting Hill area are within easy reach. Finally, the open spaces of Kensington Gardens and Hyde Park are a short walk away.
