The Kitchen

The sleek kitchen showcases dark fitted units with brass handles and light countertops, creating a refined contemporary aesthetic. A distinctive metallic backsplash adds warmth, whilst floating wooden shelves provide both storage and display space. French doors open directly onto the terrace, maximising the indoor-outdoor connection. Integrated appliances include a gas hob and built-in oven. This floor also features an office overlooking the terrace and a guest washroom.

The Bedrooms

There is a third bedroom on the half landing. The second floor has two bedrooms, both with inbuilt storage and one with an ensuite bathroom, plus a separate family bathroom. All bedrooms are presented in superb condition. The bathrooms feature elegant marble tiling throughout, creating a luxurious finish with glass shower screens and contemporary fittings.

Outdoor Spaces

The property includes a spectacular roof terrace measuring the whole size of the apartment, offering exceptional outdoor space in central London. The terrace features wooden decking and established planting in woven planters, creating a private urban retreat. An outdoor fireplace adds year-round appeal, whilst the elevated position provides impressive rooftop views across the surrounding area. The space offers ample room for outdoor dining and entertaining.

A smaller terrace off the kitchen provides additional outdoor access and space for herbs or morning coffee.
