## The Property

Beautifully decorated flat with spacious interiors on a sought-after square in the Boltons Conservation Area

## Indoor Spaces

Entering the flat on the ground floor, the front hall leads through to an open-plan kitchen with fitted units. A central breakfast island separates this space from a magnificent reception room with exceptionally high ceilings. The ornate cornice and moulded ceiling adds to the elegance of this space, while a wide bay window looks out over the square.

## The Bedrooms

The other side of the flat features a pair of bedrooms. The principal bedroom has an ensuite bathroom with a bath and considerable wardrobe space. The second bedroom has a bathroom next door, while the corridor contains further storage space.

## The Design

The flat is kept in excellent condition with underfloor heating throughout. Tasteful wallpaper, attractive wardrobes and stylish flooring give a sense of beauty and harmony to the interiors.

## The Neighbourhood

Redcliffe Square was built in the 1860s, centred on the Victorian church of St Luke's and a public garden. The square is lined with grand townhouses evoking the beautiful architecture of Second Empire Paris. The square is within easy reach of West Brompton and Earl's Court underground stations, while the restaurants and shops of the Fulham Road are also in walking distance. In addition, Brompton Cemetery is nearby, with its magnificent tombs and avenues of trees.
