The Design

The flat is kept in excellent condition with underfloor heating throughout. Tasteful wallpaper, attractive wardrobes and stylish flooring give a sense of beauty and harmony to the interiors.

The Neighbourhood

Redcliffe Square was built in the 1860s, centred on the Victorian church of St Luke's and a public garden. The square is lined with grand townhouses evoking the beautiful architecture of Second Empire Paris. The square is within easy reach of West Brompton and Earl's Court underground stations, while the restaurants and shops of the Fulham Road are also in walking distance. In addition, Brompton Cemetery is nearby, with its magnificent tombs and avenues of trees.
