The Property

A beautifully presented second floor apartment with garden aspect terrace.

Entering the flat on the second floor, you step into a generous reception room filled with natural light from large windows. The space features wooden floors and high ceilings that create a sense of scale, with an elegant fireplace as the focal point. Built-in shelving adds both character and practical storage to this well-proportioned room.

The kitchen flows off the reception room, fitted with contemporary units and featuring a subway tile backsplash. A stainless steel range with integrated hood provides gas cooking, while the space includes essential appliances and maintains the property's refined aesthetic.

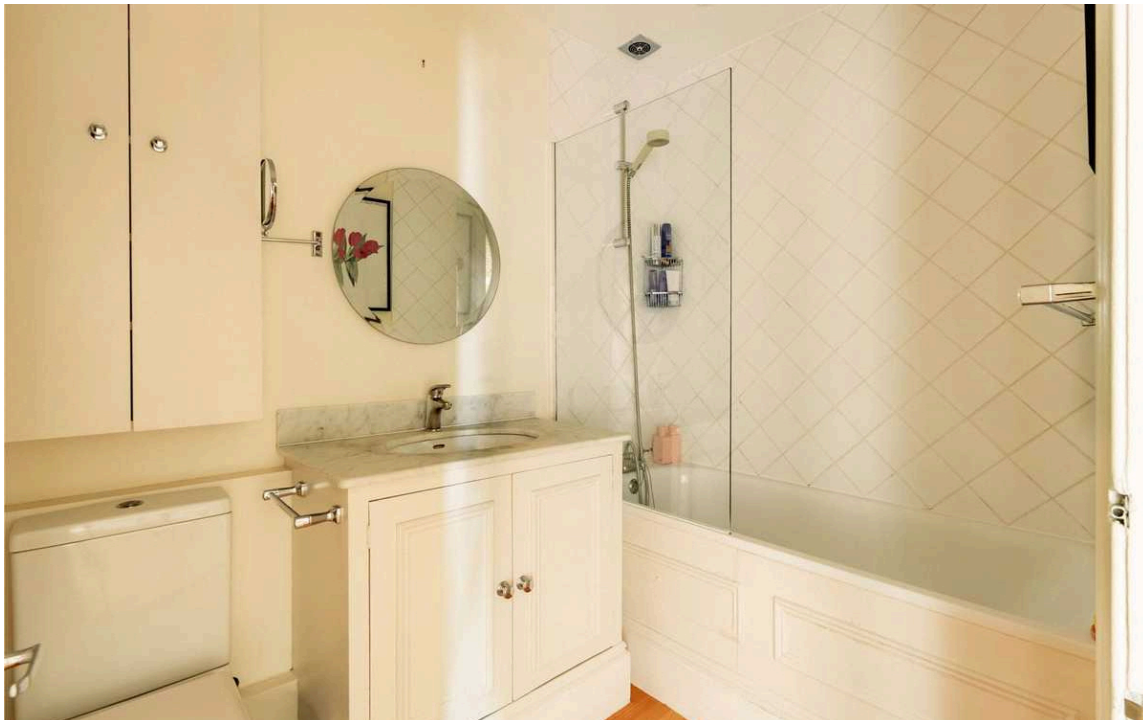

The Bedrooms

The principal bedroom offers substantial proportions with wooden floors and peaceful garden aspect from windows. Built-in wardrobes provide excellent storage solutions.

The second bedroom, equally well-proportioned, features wooden floors and benefits from good natural light. A tall mirror and wooden furniture complement the room's calm atmosphere.

The bathroom is elegantly appointed with a marble vanity, integrated sink, and modern fixtures. White diagonal tiles feature in the shower area, while a bathtub provides both bathing options. Storage is provided through wall-mounted cabinets.

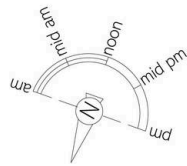

Outdoor Spaces

The property includes a terrace with garden views, providing outdoor space for seating and relaxation overlooking the tranquil gardens below. In addition, there is access to the communal gardens.

The Neighbourhood

Sheffield Terrace is an attractive street in Kensington, moments away from the open spaces of Kensington Gardens and Hyde Park. The location offers easy access to the upmarket boutiques and restaurants of Kensington High Street, while Notting Hill Gate station provides excellent transport connections across London.
