The Property

Surprisingly spacious house close to the King's Road and the gastronomic hub of Chelsea Green

Entering the house on the ground floor, the front door opens directly onto a generous reception room. This includes an open-plan kitchen with a central island, as well as separate dining and seating areas. Full-length bifolding windows and an overhead skylight flood this space with light, while double French doors lead out into the garden.

Indoor Spaces

Downstairs is an informal seating area with more bifolding doors opening onto a patio with garden access. This floor also contains a pair of ensuite bedrooms, as well as a guest WC and a convenient utility room.

The Bedrooms

The first floor is entirely occupied by the principal bedroom suite. This consists of a bedroom, a well-proportioned bathroom and a dressing room on the landing. Meanwhile, the second floor offers a fourth ensuite bedroom and west-facing French doors giving access to a balcony.

Outdoor Spaces

The house includes a paved rear garden with enough space for outdoor eating. It also has a west-facing balcony with room for a table and chairs. Finally, there is a ground-floor storage vault accessed via the front patio.

The Design

The house has been decorated in a delightful style that combines colourful details with modern convenience. The result is a surprisingly spacious family home in very good condition.

The Neighbourhood

St Luke's Street is a quiet road in the heart of Chelsea. From here, the restaurants and shops of the King's Road are close, along with Sloane Square underground station. In addition, Chelsea Green is a short walk away, with its wide range of artisanal food shops, while the green spaces and playgrounds of St Luke's Gardens are also nearby.
