The house has been recently renovated with stylish modern interiors and underfloor heating. The careful design and minimalist aesthetic provide a feeling of light and space throughout.

## Indoor Spaces

Entering the house on the ground floor, the front hall leads through to an open-plan kitchen. As well as a fitted kitchen, this room contains a central island with breakfast bar and a dining area. Upstairs, the first floor offers two bedrooms, with a shared bathroom and a guest WC.

# Entertaining Spaces

Downstairs is a generous reception room with a home cinema and considerable storage space. The far end of this room is partially separated with screens, providing a home office or guest bedroom. This floor also contains a bathroom with a shower.

### The Neighbourhood

St Petersburgh Mews is a quiet mews running behind St Petersburgh Place. The cobbled street is lined with picturesque brick properties, some of them painted pastel colours. From here Queensway and Bayswater stations are both close, and the area is also well-served by buses. In addition, the many restaurants and shops of Notting Hill are within easy reach. Finally, the open spaces of Kensington Gardens and Hyde Park are a short walk away.
