The Property

Tasteful flat in a white stucco townhouse with lift and porter a short walk away from Hyde Park

Stepping into the flat on the second floor, the entrance hall opens onto a well-proportioned reception room. With a pair of south-facing sash windows, this is a bright and elegant room with enough space for dining and seating areas. Opposite is a convenient kitchen with fitted units.

Indoor Spaces

The property is decorated in a traditional style and presented in very good condition. This results in tasteful rooms that suit the historic setting.

The flat also contains two bedrooms. The principal bedroom has an ensuite bathroom with a bath, while the second bedroom is also ensuite. From here, double French doors open onto the roof terrace.

Outdoor Spaces

The flat includes a roof terrace with wooden decking and rooftop views. The building has both lift and porter.

The Neighbourhood

The neighbourhood surrounding Belgrave Square was once a popular address for politicians and aristocrats. Its streets of white stucco townhouses are now home to numerous embassies and members clubs, as well as sought-after residential spaces. From here, Green Park and Hyde Park are both a short walk away, while the exclusive restaurants and shops of Knightsbridge are also nearby.
