The Property

Set within York House, a grand mansion block in the heart of Kensington, this three-bedroom apartment offers refined period charm with modern touches, generous proportions, and secure gated access.

Indoor Spaces

Positioned on the sixth floor, the apartment is introduced by a spacious entrance hall, setting the tone for the generous proportions throughout. High ceilings, large sash windows, and intricate detailing enhance the sense of space and light, while a neutral palette and contemporary finishes create a calm and sophisticated living environment.

A formal reception room features a grand bay window and original fireplace, with an adjacent study/sitting room providing additional versatility. The modern kitchen is fitted with sleek cabinetry and integrated appliances, while a separate laundry room adds convenience.

The Bedrooms

The principal bedroom includes bespoke wardrobes and an ensuite shower room with a double vanity and modern tiling. Two further well-sized bedrooms feature built-in storage, sharing a contemporary family bathroom.

The Neighbourhood

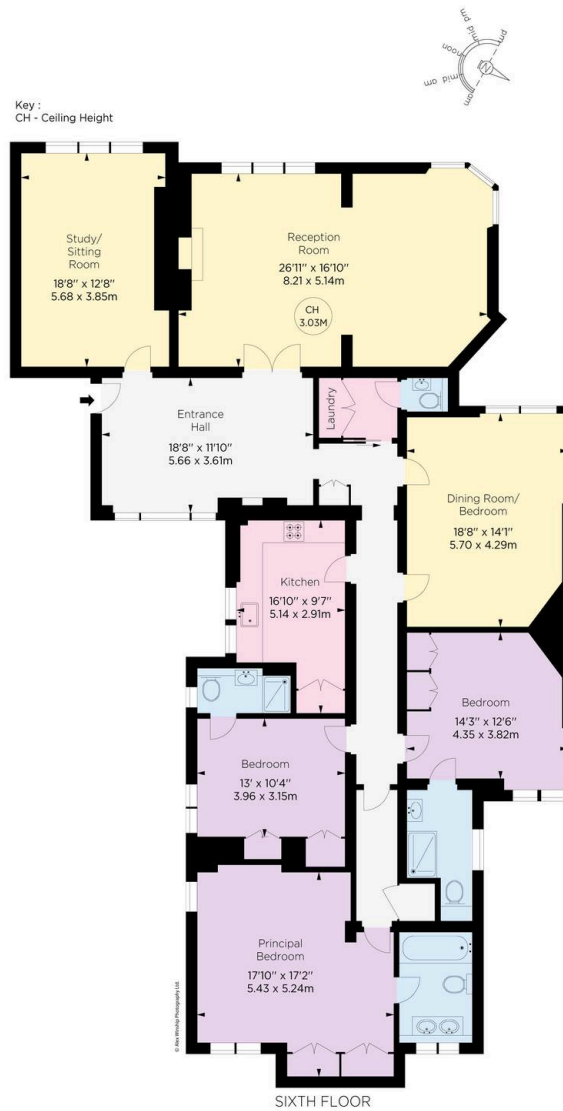

Set within a secure gated development, York House benefits from concierge services and off-street parking. High Street Kensington and Gloucester Road stations are within easy reach, along with Hyde Park and Kensington's many restaurants, boutiques, and cultural landmarks.
