The Property

The property is decorated in a contemporary style and presented in excellent condition. A muted colour scheme and modern design give a sense of space and calm throughout.

Stepping into the flat on the second floor, the entrance hall leads through to a well-proportioned reception room. This room has enough space for separate dining and seating areas, as well as wide sash windows bringing in extra light.

Indoor Spaces

The apartment building has a porter and a lift.

Next door is a bedroom with a considerable storage and an ensuite bathroom with a bath. A fitted kitchen and additional storage space complete the flat.

The Neighbourhood

York House is a graceful Art Deco building in the heart of Chelsea. From here, the King's Road and Sloane Square underground station are both a short walk away, meaning the flat is perfectly positioned for the neighbourhood's many restaurants and shops. The private sporting facilities of Burton Court are also close – residents can apply for membership.
